

CERTIFICATE OF INTERNSHIP COMPLETION

This certificate is proudly awarded as part of team to

Swananda Gupta

*This is to certify that student has successfully completed the online internship program as part of a team, at CSIR-National Chemical Laboratory from **May to August 2025**. During this period, the intern contributed effectively to creating "**Snowbound - Rebuild Their World**," an interactive educational game designed for middle school students. We acknowledge their commitment and valuable participation throughout the internship.*

Wishing success and fulfillment in their future endeavors.

Dr. Wafia Masih
